Route / Destination Name	Route or Destination	From	To	Distance	Estimated Time	Notes
Boulders Beach from An African Villa	Route	An African Villa	Boulders Beach B&B	47KM	1 hour - 1.5 hours	If you want the most direct / quickest route select 'Boulders Beach B&B' under destinations. However I have created this route which is a lot more scenic - taking in Camps Bay and Hout Bay and then driving along Chapman's Peak Drive which is a very beautiful and impressive piece on construction down the Cape Peninsula. It is occasionally closed, but if the weather is OK, it should be open.
Hawksmoor House (turn off)	Destination	Boulders Beach B&B	Hawksmoor House	72KM	1 hour - 1.5 hours	This is the most direct and quickest route which takes you back through Cape Town. However, if you want a more interesting and scenic drive go the following destinations in this order (when you arrive at a destination, chose the next one): 'Bety's Bay', 'Bientang's Cave Restaurant', Huguenot Monument Franschoek', 'Hawksmoor House (turn off)'. This will take most of day but you will take in some nice attractions and scenery.
At the Woods B&B	Destination	Hawksmoor House	At the Woods B&B	548KM	6 hours	This is the most direct route and the initial long stretch along the R60 (before you join the N2) is very attractive, going through some nice farming towns. It is a long drive - if you wanted to make it even longer but spend more time driving on roads like the R60, select 'R62 (via point)' as your first destination and then 'At the Woods B&B' when you get there. However I think this may be too long.
Elephant House	Destination	At the Woods B&B	Elephant House (Stable Cottages)	214KM	2.5 hours	This is quite an interesting drive along the eastern end of the Garden Route. There are some nice gorges and views until you approach Port Elizabeth and then it's a quick, easy drive through to Addo.
Avis - Port Elizabeth Airport	Destination	Elephant House (Stable Cottages)	Avis - Port Elizabeth Airport	64KM	1 hour	Given you are catching a flight and relatively early, I'd suggest just going directly - a easy drive.
